ELIGIBILITY FOR CLASSES

In the following definitions of classes 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for agility shows, as Agility classes or Jumping classes. All standard classes must contain the weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of 4 standard classes may be scheduled for any dog on an individual day of competition including a maximum of 2 graded classes. Any number of special classes may be scheduled.

Class Structure. A class may either be held as a graded class or a combined class. A graded class may be scheduled for a maximum of 3 consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

A class will be won by the dog that has completed the course in the fastest time with the least number of faults, unless otherwise stated for special classes.

Progression. Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from combined classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.d refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the show secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only 1st prizes and points gained in standard classes at Kennel Club licensed agility shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the 2 wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two 1st places at Grade 1 at Kennel Club licensed agility shows, at least one of which must have been gained in an agility (not jumping) class. *N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.*

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two 1st places at Grade 2 at Kennel Club licensed agility shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three 1st places at Grade 3 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5

Open to dogs which have gained a minimum of four 1st places at Grade 4 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

Grade 6

Open to dogs which have gained a minimum of four 1st places at Grade 5 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five 1st places at Grade 6 at Kennel Club licensed agility shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Special Anysize Jumping – Open to any height dog that is over 18 months old at the date of the show. This class will contain single jumps and tunnels only, i.e. no weaves, tyre, long jump or spreads.

Competitors entering this class may choose which height to jump their dogs. Dogs entered in this class may not be entered in any standard, ABC or junior classes at this show, may enter veteran class if eligible.

Results will be combined regardless of what height the dog jumps.

CSJ Highland Agility Stakes 2026

Heat Rules

Each heat will take place at six KC Open, Premier or Championship shows held in Scotland. Heats will take the form of a graded or combined 6-7 agility class, held under standard KC rules and regulations. There will be a class at each show holding heats for all four heights of dogs – Large, Intermediate, Medium and Small.

Competitors may enter more than one dog in any heat and may qualify more than one dog in the final. A dog that has already qualified can be entered in further heats.

Qualification and the finals

The first two previously unqualified dogs in each height category from each of the heat will go through to the finals at the Game Fair. Where results in the heat are graded the results will be combined for the purpose of qualification. If a dog that has already qualified is in the first two then the qualification will move down to the highest placed dog.

The winners of last year's CSJ Highland Finals have already pre-qualified for the 2026 finals.

Competitors may qualify more than one dog in the finals. The team (handler and dog) that qualify cannot be changed for either the preliminary round or the final

This year's final will take place at Prestwick Dog Agility Club Show on Saturday 6th June 2026 after show closes. This will consist of a preliminary round and the final. Each will be an agility class judged according to KC rules and regulations.

Finalists will be sent invitations in advance of the event with further details. Any queries regarding the event should be made in the first instance to Beth Gibson at beth987@icloud.com

The Showtime Novice Cup **Regulations 2026**

This is an agility competition for Small, Medium, Intermediate and Large dogs and will be judged under standard Kennel Club rules and regulations. It will be classified as combined or graded 3, 4 and 5. Where the heat is graded the results will be combined for qualification to the finals. Any subsequent grade change will not alter a dog's eligibility to compete in the Final.

There will be 6 heats, the first three from each heat will go forward to the Finals.

The Finals will be split into two parts. The Medium and Large Finals will be held at Dundee Championship Show in August. The Small and Intermediate Finals will be held at Gleniffer Championship Show in September. All finals will take place after the close of show.

Competitors may enter more than one dog in a heat and may qualify more than one dog for the Final.

Once a dog has qualified for the Final, further heats may be entered for competition, but any placings will not affect the dog's eligibility for the final. The handler that qualifies a dog for the Final will be the handler that competes in the Final.

Heats – All heights will have a trophy for first place and rosettes 1st to 6th.

32. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.

33. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees.

34. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the competition may compete. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

38. A pay on the day class will be held if time permits.

49. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.

40. Welfare of Dogs

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any agility show licensed by The Royal Kennel Club. This shall apply at the venue and within the precincts of the show.

DOG MEASURING

Please note that ALL dogs require to have been officially measured before competing at a Royal Kennel Club licensed show. Dogs must be a minimum of 15 months before being measured, unless obviously large *in the official measurers' opinion can be measured prior to 15 months*. A second measurement must be carried out on the dog between 12 and 24 months after the first.
