ELIGIBILITY FOR CLASSES

In the following definitions of classes 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for agility shows, as agility classes or jumping classes. All standard classes must contain the weaving poles obstacle. Standard agility classes must contain the following elements: "A Ramp", dog walk and see-saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition **including a maximum of 2 graded classes**. Any number of special classes may be scheduled.

Class Structure. A class may either be held as a graded class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from combined classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the show secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed agility shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at grade 1 at Kennel Club licensed agility shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for grade 1 or have elected to progress on points from Grade 1 and are not eligible for grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at grade 2 at Kennel Club licensed agility shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from grade 2 and are not eligible for grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at grade 3 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from grade 3 and are not eligible for grades 2, 3, 5, 6 or 7

Grade 5

Open to dogs which have gained a minimum of four first places at grade 4 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 6 or 7

Grade 6

Open to dogs which have gained a minimum of four first places at grade 5 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at grade 6 at Kennel Club licensed agility shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as “special classes”. The eligibility for “special” classes must be defined by the society and included in the schedule. The word “special” must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles the A-ramp, and the dog walk and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Special Veteran Dog – Dogs must be over 9 years old and not entered in any other class at the show except Any Size. The course will consist of jumps and tunnels only. Handlers may choose what height their dog jumps at on the day. Prizes will be split S/M and I/L

Special Any Size - Open to any height of dogs which are over 18 months old and are not entered in any other class at the show, except Veterans (if eligible). The course will consist of jumps and tunnels only. Handlers may choose what height their dog jumps at on the day. Prizes will be split S/M and I/L

SPECIAL SCOTTISH JUNIOR DOG CLUB 'JUNIOR OF THE YEAR' QUALIFIER 2026

Only open to members of the Scottish Junior Dog Club.

The competition is open to all SJDC members only, aged 6 years and up to, but not including 24th birthday handling any family dog. There are six classes divided by age of member and size of dog as listed below:

Under 12 (Handlers 6 years and up to, but not including 12th birthday)

- Large Dogs
- Intermediate Dogs
- Medium Dogs
- Small Dogs

12 and over (Handlers 12 years and up to, but not including 18th birthday)

- Large Dogs
- Intermediate Dogs
- Medium Dogs
- Small Dogs

18 and over (Handlers 18 years and up to, but not including 24th birthday)

- Large Dogs
- Intermediate Dogs
- Medium Dogs
- Small Dogs

There will be a total of four qualifiers held throughout the year, Fair City, Gleniffer DTC, Scottish Beardie Club and Kingdom of Fife. Each qualifying event entitles the top two placed handlers in the 18-23 category, the top two placed handlers in the 12-17 category and the top two placed handlers in the 11 years and under category to qualify for the 'SJDC Junior of the Year' final.

Classes will also be split into Small/Medium/Intermediate/Large. As this is a special class judges may opt to run it as one class with the results being split as above, this will save time. In the event that a handler has already qualified, the next placed handler will qualify for the final. This process will be repeated until all positions are taken up. Handlers are only permitted to compete with their own dog, or a nominated Dog as per membership rules or a family dog.

Rosettes awarded to 2nd (1st-2nd) place in the 18-23 category, third place (1st to 3rd) in 12-12 category and to 2nd place (1st-2nd) in 11 and under category. On behalf of our members, we would like to thank all the Scottish Clubs for supporting us by agreeing to hold these events. Without the support and kindness of such clubs, we would not be able to offer this fantastic opportunity to the Juniors of Scotland.

If you would like more information about this event or would like to join the SJDC please contact Dawn Gilmour on 07813 891962 (robbieagility@msn.com).

The Showtime Novice Cup **Regulations 2026**

This is an agility competition for Small, Medium, Intermediate and Large dogs and will be judged under standard Kennel Club rules and regulations. It will be classified as combined or graded 3, 4 and 5. Where the heat is graded the results will be combined for qualification to the finals. Any subsequent grade change will not alter a dog's eligibility to compete in the Final.

There will be 6 heats, the first three from each heat will go forward to the Finals.

The Finals will be split into two parts. The Medium and Large finals will be held at Dundee Championship Show in August. The Small and Intermediate finals will be held at Gleniffer Championship Show in September. All finals will take place after the close of show.

Competitors may enter more than one dog in a heat and may qualify more than one dog for the Final.

Once a dog has qualified for the Final, further heats may be entered for competition, but any placings will not affect the dog's eligibility for the final. The handler that qualifies a dog for the Final will be the handler that competes in the Final.

Heats – All heights will have a trophy for first place and rosettes 1st to 6th.

Scottish Agility Dog of the Year 2026

1. The Scottish Agility Dog of the Year Competition is an annual event organised by The Scottish Kennel Club. The final will be held at the SKC August Show each year with the winners in each height category being awarded the title Scottish Agility Dog of the Year (height category).
- 2
2. Qualification for the final will be decided by an accumulation of points at heats. To qualify for points the dog must have been clear in the class; that is having incurred no course or time faults. Points are allocated in each height category as follows:

1st 8 points

2nd 4 points

3rd 2 points

4th 1 point

3. To be eligible to compete the handler must reside in Scotland and the dog's owner be resident in Scotland whenever points are gained. If the dog/handler are not eligible for points (i.e. they are not both resident in Scotland) then the points will move down the places and be allocated to the next Handler / Dog team who are eligible for points. It is possible for the handler or dog to no longer be resident in Scotland at the time of the final, they will however still receive an invitation to compete.
4. After the final heat the 12 dogs with the most points in each height category will be invited to the finals by the Scottish Kennel Club. In the event of a draw then additional dogs may be invited. A handler may compete in the final with more than one dog.
5. The finals in 2026 will comprise of a single round of agility with competitors running in reverse order according to the number of points they accumulated to qualify. The finals for the SADOTY 2026 will be held as part of SKC's August Agility Show. To be awarded the title of Scottish Agility Dog of the Year the dog must be clear within the course time in the finals.
6. Heats will be held throughout Scotland at Open, Premier or Championship Agility Shows held by KC registered or listed clubs. To host a heat the club applying must have its main operating address based in Scotland. For SADOTY 2026.
7. Heats will be held as a standard scheduled agility class, open to all dogs eligible to compete in that class. The class will be held as a combined or graded 6/7 class. This cannot be a capped class.
8. Handlers and dogs will qualify as a team. A dog may, therefore, collect points with more than one handler and these will NOT be amalgamated. A dog may only qualify for the final with one handler, and the handler with the highest number of points will be invited.

24. Dog agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in agility classes on the day of the show.

25. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition (5th May 2026), shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary **at least 14 days before the date of the show (9th May 2026)**. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a refund of the relevant entry fees.

26. Should circumstances so dictate the society, in consultation with the judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them will be reported to The Kennel Club.

27. In the event that the show is cancelled due to unforeseen circumstances, the club/society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.

28. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.

29. No dogs' crates or boxes should be left near or between rings. Societies may, if they wish, designate areas where dogs' crates and boxes may be left in the vicinity of the rings.

30. No smoking or vaping is allowed within the ring area.

31. The handler must set their dog up to start within the ring. Dog and handler must enter the ring together and under no circumstances may a dog be left outside the ring off lead and recalled or sent to the handler in the ring.

32. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.

33. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees.

34. Free Passes - Not Applicable.

35. Competition of dogs suffering from contagious or infectious disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the competition may compete. 36. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to The Kennel Club.

37. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.

No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

39. A pay on the day class will be held if time permits.

40. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.

41. Welfare of Dogs

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any agility show licensed by The Kennel Club.
