## **Summit Agility Shows – Agility Finals Qualification Rules**

The final will be run on one course, once all other classes have closed, and winners will be split into:

- Grade 1–3
- Grade 4–7

The final will consist of **16 dogs, per height, qualified as follows:**

### **Grade 1–3 Qualification**

Qualification is based on results from agility classes only (not jumping classes).

- **Graded 1–3 Agility Classes**
  - 1st and 2nd place from each Grade 1, Grade 2, and Grade 3 agility class qualify.
  - Total: 6 dogs
- **Combined 1–3 Agility Class**
  - The top 2 placed dogs qualify (not already qualified via the graded classes).
  - Total: 2 dogs

**Total for 1-3 Final: 8 dogs**

### **Grade 4–7 Qualification**

Qualification is based on results from agility classes only (not jumping classes).

- **Graded 4–5 Agility Class**
  - 1st place qualifies
  - Total: 2 dogs
- **Combined 4–5 Agility Class**
  - Top 2 placed dogs qualify (excluding the Graded 4–5 winner if already placed)
  - Total: 2 dogs
- **Graded 6–7 Agility Class**
  - 1st place qualifies
  - Total: 2 dogs
- **Combined 6–7 Agility Class**
  - Top 2 placed dogs qualify (excluding the Graded 6–7 winner if already placed)
  - Total: 2 dogs

**Total for 4–7 Final: 8 dogs**

### **Roll-Down Rule**

If a dog qualifies in both a graded and combined class, the combined class result will be used for qualification. The place from the graded class will roll down to the next eligible dog.

### **Finals Information**

The finals will be held on Saturday evening, at a time to be announced depending on how the day runs.

Competitors and visitors are encouraged to come and sit around the ring and cheer on their friends — let's make it a fun and supportive atmosphere!

The final will run over an agility course, not a jumping course.

### **Running Orders**

Running orders will be generated once all qualification runs have been completed.

If a handler has two dogs in the same final, we will do our best to allow at least a five-dog gap between their runs to avoid them having to run back-to-back.

Competitors must be ringside when the dog before them finishes their run. This is essential to keep the evening events running smoothly and on time.

All heights will walk the course together, and the course walk time will be announced alongside the confirmed running orders.

### **Judging**

The final will be judged under Royal Kennel Club Agility Rules. Standard marking will apply, and the winner will be the dog with the fastest clear round. In the event of no clear rounds, faults and time will be used to determine the final placings.

## Thank You to Our Sponsors

A big thank you to our generous sponsors for supporting the finals and providing prizes. Your contribution helps make this a special and memorable event for all involved.

We also have some amazing Ring Sponsors who will be at the show with their lovely products for everyone!!

We want everyone to enjoy the show so let's all work together to keep the event enjoyable and respectful for all. We ask that everyone shows respect, especially to our judges and show helpers – remembering they are all volunteering their time. Therefore, we ask:

- If you have any issues during the show, please come directly to the committee Marquee.
- Do not approach judges or ring party members with personal grievances or complaints.

Any competitor who is rude, or confrontational, towards a judge or helper may be asked to leave the show.

Thank you! We look forward to seeing you and your beautiful dogs there. 🐾🐾

## ELIGIBILITY FOR CLASSES

In the following definitions of classes 1<sup>st</sup> prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (i.e. special classes and invitational events excepted). Only a 1<sup>st</sup> place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for agility shows, as agility classes or jumping classes. All standard classes must contain the weaving poles obstacle. Standard agility classes must contain the following elements: "A ramp", dog walk and see-saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition including a maximum of 2 graded classes. Any number of special classes may be scheduled.

**Class Structure.** A Class may either be held as a graded Class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

A class will be won by the dog that has completed the course in the fastest time with the least number of faults, unless otherwise stated for special classes.

Competitors will be allowed to walk the course set at small, medium, intermediate, or large height without their dog(s) before the class begins. The first height of the class will be allowed to walk for 15 minutes. Each height thereafter will be allowed to walk for 5 minutes. Please ensure you keep up to date with your classes through the Showtime app or tannoy announcements.

**Progression.** Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from combined classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows. Only a 1<sup>st</sup> place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

**Points Progression.** At the handler's discretion a dog may progress up to grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the show secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

## **STANDARD CLASSES**

Only 1<sup>st</sup> prizes and points gained in standard classes at Kennel Club licensed agility shows may be used for progression through the classes. (A dog is only eligible for one grade). ## **The Showtime Novice Cup Regulations 2026**

This is an agility competition for Small, Medium, Intermediate and Large dogs and will be judged under standard Kennel Club rules and regulations. It will be classified as combined or graded 3, 4 and 5. Where the heat is graded the results will be combined for qualification to the finals. Any subsequent grade change will not alter a dog's eligibility to compete in the Final.

There will be 6 heats, the first three from each heat will go forward to the Finals. The Finals will be split into two parts. The Medium and Large Finals will be held at Dundee Championship Show in August. The Small and Intermediate Finals will be held at Gleniffer Championship Show in September. All finals will take place after the close of show.

Competitors may enter more than one dog in a heat and may qualify more than one dog for the Final. Once a dog has qualified for the Final, further heats may be entered for competition, but any placings will not affect the dog's eligibility for the final. The handler that qualifies a dog for the Final will be the handler that competes in the Final.

Each qualifying event entitles the top two placed handlers in the 18-23 category, the top two placed handlers in the 12-17 category and the top two placed handlers in the 11 years and under category to qualify for the 'SJDC Junior of the Year' final.

Classes will also be split into Small/Medium/Intermediate/Large. As this is a special class judges may opt to run it as one class with the results being split as above, this will save time. In the event that a handler has already qualified, the next placed handler will qualify for the final. This process will be repeated until all positions are taken up.

Handlers are only permitted to compete with their own dog, or a nominated Dog as per membership rules or a family dog.

Rosettes awarded to third (1st-2nd) place in the 18-23 category, fifth place (1st to 3rd) in 12-12 category and to third place (1st-2nd) in 11 and under category. On behalf of our members, we would like to thank all the Scottish Clubs for supporting us by agreeing to hold these events. Without the support and kindness of such clubs, we would not be able to offer this fantastic opportunity to the Juniors of Scotland.

If you would like more information about this event or would like to join the SJDC please contact Dawn Gilmour on 07813 891962 ([robbieagility@msn.com](mailto:robbieagility@msn.com)).

## **Scottish Agility Dog of the Year 2027**

The Scottish Agility Dog of the Year Competition is an annual event organised by The Scottish Kennel Club. The final will be held at the SKC August Show each year with the winners in each height category being awarded the title Scottish Agility Dog of the Year (height category).

Qualification for the final will be decided by an accumulation of points at heats. To qualify for points the dog must have been clear in the class; that is having incurred no course or time faults. Points are allocated in each height category as follows:

1st 8 points                      2nd 4 points                      3rd 2 points                      4th 1 point

To be eligible to compete the handler must reside in Scotland and the dog's owner be resident in Scotland whenever points are gained. If the dog/handler are not eligible for points (i.e. they are not both resident in Scotland) then the points will move down the places and be allocated to the next Handler / Dog team who are eligible for points. It is possible for the handler or dog to no longer to be resident in Scotland at the time of the final, they will however still receive an invitation to compete.

After the final heat the 12 dogs with the most points in each height category will be invited to the finals by the Scottish Kennel Club. In the event of a draw then additional dogs may be invited. A handler may compete in the final with more than one dog.

The finals in 2027 will comprise of a single round of agility with competitors running in reverse order according to the number of points they accumulated to qualify. The finals for the SADOTY 2027 will be held as part of SKC's August Agility Show. To be awarded the title of Scottish Agility Dog the Year the dog must be clear within the course time in the finals.

Heats will be held throughout Scotland at Open, Premier or Championship Agility Shows held by KC registered or listed clubs. To host a heat the club applying must have its main operating address based in Scotland. For SADOTY 2027, heats must be held between **July 2026 and July 2027**.

Heats will be held as a standard scheduled agility class, open to all dogs eligible to compete in that class. The class will be held as a combined or graded 6/7 class. This cannot be a capped class.

Handlers and dogs will qualify as a team. A dog may, therefore, collect points with more than one handler and these will NOT be amalgamated. A dog may only qualify for the final with one handler, and the handler with the highest number of points will be invited.
