ELIGIBILITY FOR CLASSES

In the following definitions of classes 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for agility shows, as Agility classes or Jumping classes. All standard classes must contain the weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of 4 standard classes may be scheduled for any dog on an individual day of competition including a maximum of 2 graded classes. Any number of special classes may be scheduled

Class Structure. A class may either be held as a graded class or a combined class. A graded class may be scheduled for a maximum of 3 consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

A class will be won by the dog that has completed the course in the fastest time with the least number of faults, unless otherwise stated for special classes.

Progression. Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11.

Results from combined classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.d refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the show secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only 1st prizes and points gained in standard classes at Kennel Club licensed agility shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the 2 wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

32. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.

33. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees.

34. (Where applicable) Free Passes – All competitors will be provided with a free pass enabling them to enter the event at any time of the day their competition is scheduled, but in the case of a dog owned in partnership only one such pass will be issued. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the competition may compete. Competitors infringing the Regulation will be liable to be fined and/or dealt with under Kennel Club Rule A11.

36. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any agility show licensed by The Royal Kennel Club. This will apply at the venue and within the precincts of the show.

41. Refunds are not available after the entries have closed.

Hot Weather

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the dos and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

*Please ensure that dogs are not left unattended and are exercised in the designated areas.
Numerous dog walk opportunities are available around the venue. PICK UP AFTER YOUR DOGS!!!*

Warning: due to continuing incidents involving Judges, Ring Parties and Show Committees, SBCC feels it prudent to issue the following statement.

SBCC will not tolerate anybody who impugns the judges' decisions, or verbally or physically intimidates Judges, Committee or Ring Party.

If you believe that there is an issue with a course and /or judging at our show, in the first instance please speak to the Ring Manager or Show Manager. If issues are not resolved to your satisfaction, please record them in the incident book.

Note: any challenge to a judge's decision must be made in accordance with rule H25, with the accompanying fee of £35.

Anyone acting outside of this process or seen to be intimidating anyone will be asked to leave the show immediately and will be subject to an investigation by the committee.

This may result in future entries being refused and/or membership being suspended.
